Summary

Software Developer with experience in ERP and web applications using ASP.NET MVC/Core, C#, Entity Framework, SQL Server, and Angular. Skilled in subscription billing, admin management systems, and delivering reliable, scalable features in Agile teams. Passionate about learning new technologies and applying best practices to create impactful solutions.

Experience

Software Engineer (NET)

Sep 2024 – Present

Jeyan Technologies — Theni, India

- Built and maintained ERP modules (Catalog, Order, Core) with ASP.NET MVC, Razor, LINQ, Entity Framework, SQL Server.
- Implemented subscription and billing workflows (weekly, monthly, custom); developed real-time billing previews.
- Increased reliability by adding unit and integration tests for business-critical flows.
- Collaborated in Agile sprints with QA and cross-functional teams to deliver customer features and resolve production issues.
- Optimized SQL queries and indexing to improve performance of subscription reports by 20

Project

Subscription Food Website with Admin Management

ASP.NET Core MVC, Angular, Razor Pages, SQL Server

- Developed a subscription-based food delivery system with flexible billing plans (weekly, monthly, custom).
- Built an admin management dashboard for managing menus, subscriptions, billing reports, and users.
- Added role-based authentication and live billing previews using JSON serialization.
- Integrated Angular front-end components with .NET Core APIs for seamless UI/UX.

Education

B.E — Electronics and Communication Engineering, Hindustan Institute of Technology, Coimbatore
GPA: 8.23/10

2023

Certifications

Java Full Stack Development Internship, QSpiders

2023

Technical Skills

Languages: C#, JavaScript, SQL

Frontend: Angular, Razor Pages, jQuery, Bootstrap, HTML5, CSS3

Backend: ASP.NET MVC, ASP.NET Core, Web API, Entity Framework, LINQ

Databases: Microsoft SQL Server, Stored Procedures

Tools: Git, Visual Studio / VS Code, Postman, IIS, CI/CD Pipelines

Concepts: RESTful APIs, JSON, OOP / SOLID, Unit Integration Testing, Agile / Scrum
