SUMMARY

Experienced IT professional with 4.9 years at Wipro, specializing in SAP API testing and quality assurance. Proficient in designing and executing test cases, validating APIs, and ensuring seamless integration across systems. Skilled in Agile methodologies and the full software development lifecycle. Currently transitioning into Android application development, with hands-on experience in building apps using Kotlin, Java, and the Android SDK. Eager to leverage testing expertise and technical skills to develop high-quality, user-focused mobile applications.

WORK EXPERIENCE   Jun 2020- Apr 2025

Senior Executive , Wipro Technologies

- Worked for 4.9 years on HP customer data testing, ensuring data accuracy, consistency, and reliability across multiple systems.
- Performed API testing using Postman to validate customer data integration and migration workflows.
- Gained hands-on experience with SAP MM and SAP SD modules during data validation and functional testing.
- Involved in end-to-end data migration processes, including data validation, reconciliation, and defect tracking.
- Utilized JIRA for bug creation, tracking, and collaboration with cross-functional teams in an Agile environment.

Intern - Android development, Cognifyz Technologies   Apr 2025 - May 2025

- Completed an internship focused on Android application development, transitioning from a software testing background.
- Designed and developed mobile applications using Kotlin, Java, and the Android SDK.
- Gained hands-on experience with UI design, navigation components, data storage, and API integration.
- Applied clean architecture (MVVM) principles and followed Agile methodologies throughout the development process.
- Strengthened ability to deliver reliable, user-friendly apps by combining testing expertise with development skills.

PROJECT

- **World Leaders Details Application (Android)**: Built an Android app to display world leaders' profiles with images, country, education, achievements, and biographies; implemented RecyclerView, Glide for image loading, and JSON-based data handling.
- **TaskMaster Application (Android)**: Developed a lightweight Android app using Kotlin and XML to manage daily tasks with features like add, delete, and view tasks in a scrollable RecyclerView with a clean Material UI.
- **Book Tracker Application (Android):** Developed a clean and user-friendly Android application to manage personal book reading lists. Users can add, view, and update the reading status of books. The app persists data locally using SharedPreferences, ensuring books remain saved even after the app is closed.

EDUCATION

Master of Computer Application in Anna University (86%)   Jun 2020 - Aug 2022

Bachelor of Computer Application in Alpha arts and Science Collage   Jun 2016 - Aug 2019
(60%)

SKILLS

- Programming & Languages: Kotlin, Java, SQL
- Android Development & Frameworks: Android SDK, Jetpack Components (RecyclerView, Navigation, LiveData, ViewModel), Material Design, XML Layouts, Jetpack Compose (basic knowledge)
- Architecture & Design Patterns: MVVM, Repository Pattern, Clean Architecture, Singleton, Observer Pattern
- APIs & Networking: RESTful APIs, JSON Parsing, Retrofit, Volley, Postman
- Data Persistence & Storage: SharedPreferences, SQLite, Room Database, Firebase Realtime Database & Firestore
- Tools & Platforms: Android Studio, Gradle, Firebase Analytics, Google Play Console, Jira, Agile/Scrum workflows
- Soft Skills & Methodologies: Problem Solving, Agile & Scrum Methodologies, Cross-functional Team Collaboration, Requirement Analysis, Attention to Detail
- Other Tools: Postman, JIRA, Firebase Analytics, Google Play Console

CERTIFICATION

- Android Store Listing certificate - Google Play Academy
- Complete Android MVVM Architecture Course – Udemy
- Advanced Android with Kotlin – Udemy
- Android Development Kotlin-Architecture – Udemy
- Jira Completed from Scratch to Expert - Udemy
- Brainstorming Expert Certification - AIGPE
- Android Store Listing certificate - Google Play Academy
- AWS-Cloud Computing On AWS For Beginners- Udemy

LANGUAGE

- Tamil
- English
