Professional Title

Laravel & WordPress Developer | PHP | MySQL | HTML | CSS | JavaScript | 1 Year Experience

Professional Summary

Passionate and detail-oriented Laravel and WordPress Developer with 1 year of professional experience in building responsive, SEO-optimized web applications using PHP, MySQL, HTML, CSS, and JavaScript. Skilled in custom plugin/theme development, API integration, and E-commerce solutions. Demonstrated ability to work collaboratively, solve complex problems, and deliver high-quality, user-focused digital experiences.

Career Objective

To secure a responsible and growth-oriented position as a Laravel and WordPress Developer, where I can utilize my technical skills in PHP, MySQL, and modern web frameworks to develop innovative, scalable, and user-friendly web applications that support organizational success.

Professional Experience

Junior Developer | Esys Innovation | Oct 2024 – Present | Mumbai

- Developed and maintained Laravel and WordPress web applications for clients across multiple domains.
- Created custom themes and plugins based on user and business requirements.
- Integrated RESTful APIs and improved website SEO performance and load times.
- Designed responsive UIs using HTML5, CSS3, JavaScript, and Bootstrap.
- Collaborated with team members using Git to maintain clean, efficient, and scalable codebases.

Key Project

Amul Dola's Official Website

URL: <https://www.amuldolas.com/>

- Built a fully responsive, SEO-optimized WordPress website for Amul Dola's brand portfolio.
- Designed a custom content management system for easy updates.
- Enhanced UX by improving page load time and optimizing performance for all devices.
