## SUMMARY

Results-driven **Software Engineer** with nearly **three years of experience** in developing **Windows and web applications** using **C#, .Net, .Net Core, Angular, and SQL Server**. Proficient in **Entity Framework, RESTful API integration**, and **application performance optimization**. Experienced in all phases of the **SDLC**, with a strong focus on **clean coding, collaboration, and delivering high-quality, maintainable software solutions**.

## EXPERIENCE

**12/2024 to Current**

### **Software Engineer**

**Hcl Tech** — Chennai

- Software Engineer involved in building applications across multiple frameworks.
- Designed and implemented features based on client needs.
- Worked with teams to troubleshoot issues and improve stability.
- Participated in code reviews, testing, and deployment for quality delivery.

**02/2024 to 11/2024**

### **Software Developer**

**SMD Metal** — Chennai

- Developed and maintained Windows applications for manufacturing operations.
- Built features for inventory, stock updates, employee management, and billing.
- Performed bug fixes, optimization, and enhancements based on user feedback.
- Worked with C#, .NET Framework, WinForms, SQL Server, and Entity Framework.
- Used Git for version control and collaborated with teams for smooth delivery.

**11/2022 to 01/2024**

### **Angular Developer**

**V2e Technologies** — Chennai

- Built responsive Angular apps and supported scalable C# backend services.
- Used Entity Framework for efficient data handling and REST APIs for integration.
- Collaborated with teams to deliver optimized, maintainable software.
- Experienced in debugging, performance tuning, Git, and Agile practices.

## TECHNICAL SKILLS

- C#, .NET, .NET Core, Entity Framework & MVC
- Angular (HTML, CSS, TypeScript)
- SQL Server, MySQL
- RESTful APIs
- GitLab and GitHub
- Object-oriented programming & Design Patterns
- RPA(Robotic Process Automation)

## QUALIFICATION

**04/2023**

### **M.Sc. Computer Science**

**Thiruthangal Nadar College of Arts & Science** — Chennai

**04/2021**

### **B.Sc. Computer Science**

**Patrician College of Arts & Science** — Chennai

## CERTIFICATIONS

### **Automation Developer Associate - UiPath**

- Certified with 70%
