KASTHURI R

Software and QA Manual Testing

Korukkupet,Chennai-21| kasthuriravichandran2001@gmail.com | 7305141286

SUMMARY

Experienced with Manual testing techniques to ensure software quality. Utilizes analytical skills to identify and document software issues effectively. Track record of enhancing team efficiency and delivering reliable results consistently.

TECHNICAL SKILLS

XML conversion	Content quality assurance	Accessibility Auditing
Exe tool validation	Epub validation	Dot net web development
UPDF Automation testing	Bug identification	Software testing
		Test case Report creation

PROFESSIONAL EXPERIENCE

Software and QA Manual Testing
Codemantra

05/2024 to current
1.5 yrs Experience

- Work with the Elsevier project on XML to EPUB conversion to verify the transformation, content quality, identify bugs, and create a test report.
- Work with Zinio project: Verify the pdf page numbers with the page map, clean up the text box annotation and validate the reading order for the zoned content in the prediction pdf. After the process done is done, finally check the articles based on the given input prediction pdf.
- Updf Automation testing, like reference linking, Index linking, cross reference linking, and Toc Linking.
- Accessibility - Web auditing for e-commerce and non-e-commerce websites.
- Web crawling for given website and save the content in document.
- Functional testing on given Exe Tool or testing the python code and identify bugs
- Developing code internally using python

EDUCATION

Master of Computer science   **04/2023**
Queen Mary's College
- Major in computer science and programming languages..
- Academic project : Dramatic Arts Web Application.

Bachelor of Computer Application   **04/2021**
Queen Mary's College
- Major in computer and programming languages..

ADDITIONAL INFORMATION

- **Software skills:** MS Office, SQL, Html, Dot net, Css, Python, Java, Adobe acrobat, Visual studio
- **Accomplishment:** Python and AWS internship - 6 Months Securekloud Technologies
- **Language**: English, Telugu, Tamil
