PROFESSIONAL SUMMARY

Software Developer with hands-on experience in building and maintaining dynamic, responsive web applications using Angular, TypeScript, HTML, and CSS. Skilled in developing RESTful APIs with .NET and managing databases using SQL Server. Proficient in creating scalable, maintainable, and user-friendly solutions while collaborating in Agile environments. Adept at performance optimization, code reviews, and continuous integration workflows to deliver high-quality applications.

PROFESSIONAL EXPERIENCE

AMAZE INC
SOFTWARE DEVELOPER
AUG 2023 – OCT 2025 | BANGALORE

- Developed and maintained dynamic, responsive web applications using Angular, TypeScript, HTML, and CSS, ensuring seamless user experiences across devices and browsers.
- Implemented component-based architecture and state management to create scalable and maintainable front-end solutions.
- Created and consumed RESTful APIs using .NET, enabling efficient data exchange between front-end interfaces and back-end services.
- Worked with SQL Server to manage databases, write complex queries, and perform data analysis tasks to support application features.
- Collaborated closely with cross-functional teams, including UI/UX designers, backend developers, and QA testers, in Agile environments to deliver high-quality software on time.
- Optimized application performance through lazy loading, code splitting, and efficient data binding strategies.
- Followed best practices in version control (Git), code reviews, and continuous integration workflows to maintain code quality and consistency across teams.

SKILLS

Programming Languages: TypeScript, SQL, HTML, CSS, Java, Spring (Basic)
Frameworks & Libraries: Angular, Bootstrap, RxJS, .NET
Database: Microsoft SQL Server
Tools: VS Code, Eclipse, Postman, Git, npm/Node.js

EDUCATION

Bachelor of Engineering (BE) in Computer Science Engineering
PDA College of Engineering, Gulbarga, KA
Jun 2018 – Jun 2022

CERTIFICATIONS

JAVA FULL STACK – J Spider
