## Career Objective

Enthusiastic and detail-oriented Computer Science Engineering graduate with strong knowledge in Java Full Stack Development, Web Technologies, and Networking. Seeking an entry-level Software Developer role to apply academic knowledge, enhance technical skills, and contribute to innovative projects in a dynamic organization.

## Education

- Bachelor of Engineering (B.E.), Computer Science & Engineering, Sengunthar Engineering College (2023)
- Higher Secondary (12th Grade), Computer Science, Nirmala Higher Secondary School (2019)
- Secondary School (10th Grade), Nirmala Higher Secondary School (2017)

## Technical Skills

- Programming Languages: Core Java, Advanced Java, SQL
- Web Technologies: HTML, CSS, JavaScript, Spring, Hibernate
- Tools & Platforms: Eclipse, MySQL, Oracle SQL, Git
- Languages: Tamil (Native), English (Proficient)

## Academic Projects

### Dairy Selling Website (Mini Project, 2022)

- Developed a web application to connect farmers directly with consumers.
- Implemented features such as product browsing, ordering, and inventory management.

### Predicting Heart Disease Using Machine Learning (Academic Project, 2023)

- Designed a machine learning model to predict heart disease risk.
- Enhanced diagnostic accuracy and early prevention through data classification techniques.

### Estimate Crop Yield Using Data Analytics (IBM Project, 2023)

- Built a data-driven website to analyze crop yield using soil, crop, and weather data.
- Integrated IBM Cloud tools for efficient data management and analytics.

## Certifications

- I have undergone Java FullStack Training in Qspiders Chrompet.
- Web Technologies Course – ETS Academy
- Web Development Workshop – Skill Safari
- Crop Yield Analytics IBM Academic Project Certification - IBM

## Competitions & Presentations

- Computer Hardware & Troubleshooting – Paper Presentation, PGP Engineering College
- 5G Technologies – Paper Presentation, Shanmuga Engineering College
- Heart Disease Prediction – Conference Presentation, Sengunthar Engineering College

## Strengths

- Quick learner and adaptable to new technologies
- Strong problem-solving and analytical skills
- Excellent communication and teamwork abilities
