CAREER OBJECTIVE

Enthusiastic and motivated software developer with hands-on experience in Java, React Native, and NestJS. Skilled in developing web and mobile applications, RESTful APIs, and working with databases. Strong foundation in Object-Oriented Programming and data structures. Eager to learn new technologies and start a career in IT by contributing to real-world software projects.

EDUCATION

Master of Computer Applications

Mepco Schlenk Engineering College, Sivakasi

2022-2024

CGPA: 8.45/10

B.Sc. Nutrition and Dietetics

V.V.Vanniaperumal College For Women, Vrudhunagar

2019-2022

CGPA: 7.63/10

SKILLS

Programming Languages : C, Java, Python(Beginner)

Frontend :HTML, CSS, JavaScript, React

Mobile : Flutter, React Native

Backend : NestJS, Node.js

Database : MySQL, Oracle, PostgreSQL

EXPERIENCE

Software Trainee

AiimTech Software System Private Limited

Dec 2023- May 2024, Sivakasi

- Developed and maintained web applications and mobile applications using React and React Native, enhancing user experience through improved functionality and performance.
- Designed and integrated RESTful APIs, facilitating seamless communication between front-end and back-end systems.
- Developed version control practices using Git, enhancing collaborative coding efforts and reducing integration conflicts.

PROJECT

Food Cart App | React Native, NestJS, PostgreSQL

- Developed a cross-platform mobile application enabling users to browse restaurants, manage carts, and place food orders seamlessly.
- Implemented secure user authentication, real-time cart management, and order history tracking to enhance the user experience.
- Designed and built RESTful APIs with NestJS, integrating PostgreSQL for efficient data storage and retrieval.
- Optimized backend performance and improved API response times through structured database queries and modular architecture.

House Rental App | Flutter, Firebase

- Built a cross-platform mobile app for listing and renting residential properties.
- Added search, filtering, and secure payment features for smooth rental transactions.
- Used Firebase Authentication, and Cloud Storage for data and media management.

AWARDS & ACHIEVEMENTS

- Earned a Post Graduate Diploma in Computer Applications (PGDCA) from TCPS I.T. Education.
- Represented Madurai Kamaraj University (Volleyball) in the Inter-University Tournament held in Chennai.
- Served as Captain of the college volleyball team for 2 years, demonstrating strong leadership, teamwork, and communication skills.
- Completed a two-day workshop on Cloud Computing, gaining hands-on exposure to cloud concepts and deployment.
- Secured Second Prize in “As You Like It” event at Manifests 2K22, held at V.V. Vanniaperumal College for Women.
- Completed a one-month internship as a Dietician at Meenakshi Mission Hospital, Madurai.
