PROFESSIONAL EXPERIENCE

BoldBI-BoldBI-Embedding - Software Developer

Syncfusion Software Private Limited | July-2021 to Nov-2024 (3.4 Year)

- Developed and maintained console applications using C# and .NET, ensuring high-performance backend systems.
- Collaborated with interdisciplinary teams to design, implement, and optimize ASP.NET applications for seamless functionality and user experience.
- Utilized React and Angular at a foundational level to contribute to front-end enhancements in web applications.
- Diagnosed and resolved technical issues, ensuring the reliability and efficiency of software systems.
- Developed and maintained clear and comprehensive documentation for projects, aiding knowledge transfer and further maintenance.
- Analyzing the Client Requirements and estimating the hours needed to complete the task.
- Designing, developing, and implementing the requirement using C#, ASP.NET through Visual Studio.
- Each team is going through the monthly release rollout process. This involves taking on release work responsibilities and ensuring they are completed perfectly.
- Experience with the Member API, methods, and Events related API.
- Chaired daily Scrum meetings to review project progress, actively engaging with team members and obtaining task status updates.
- Proficiently allocated tasks at the beginning of each sprint, promoting effective communication and structured task management.
- Collaborated closely with testers to establish testing strategies for new deliverables, ensuring quality assurance and effectively addressing any issues identified throughout the testing process.

Mahendra Next Wealth IT India Private Limited
Trainee – Executive | June 2020 – October 2020 (3 months)

- Gained experience in data accuracy, attention to detail, and process compliance in a fast-paced environment.
