Radha krishnan R

Associate Team Leader

PROFILE

To excel as a Software Developer by leveraging innovative thinking, dedication, and integrity in a challenging environment. With 6 years of experience as a PHP Developer, I aim to contribute to organizational growth through my expertise in analysis, coding, and project execution while continuously enhancing my technical and professional skills. Seeking a position that allows me to build on my extensive experience in PHP, CodeIgniter, Laravel, Java and MySQL, leading to progressively responsible roles within the tech industry.

WORK EXPERIENCE

HEPL (Cavinkare group) - Cuddalore.
