
Work History (Experience: 1.9 Years)

PLM System (.NET 9 | ASP.NET Core | EF Core | SQL Server | MySQL)

Plural Technology, Hyderabad | June 2025 - Present

- Implemented lifecycle-state based authorization in PLM application, validating read/write/delete tasks at each state and blocking unauthorized transitions.
- Made lifecycle to element bindings dynamic at runtime, eliminating hard-coded mappings.
- Handled client requests to remap product relationship links directly in SQL Server.
- Enforced organization-level data encapsulation across application.
- Involved in deployment and hosting of applications using IIS, ensuring stable and secure releases.

WPF Desktop Application (C# | WPF | MVVM)

Plural Technology, Hyderabad | December 2024 – June 2025

- Implemented persistent positions for draggable Thumb controls on a WPF Canvas, restoring them after page navigation
- Implemented connector path generation such as T-joint, elbow etc. with tolerance-based pathing and z-order handling.
- Conducted in-depth manual testing of canvas workflows, improving interaction reliability and ensuring consistent rendering across use cases.

Accounting Web Tool (Angular | ASP.NET Core | SQL Server)

Capinasia, Hyderabad | January 2023 to September 2023

- Served as Full-Stack Developer to build web applications using Angular 15, .NET Core (C#), and MSSQL.
- Designed and delivered a comprehensive accounting tool to streamline captive insurance financial processes.
- Managed the end-to-end software lifecycle, from requirements gathering to deployment.
- Conducted thorough testing, debugging, and ensured adherence to coding standards.

Skills

- **Programming & Frameworks:** C#, .NET 9, ASP.NET Core, EF Core (Entity Framework), Web API, LINQ, WPF, MVVM, OOP, Angular 15, TypeScript, HTML, CSS.
- **Web/Services:** REST APIs, Swagger/OpenAPI, Microservices (ASP.NET Core), Web API
- **Databases:** MySQL, SQL Server (MSSQL).
- **Tools:** Git, IIS, Visual Studio, MySQL Workbench, SSMS, Postman.

K S PARIKSHITH

.Net Developer

Total Experience: 1.9 Years

Summary

Results-driven .NET Developer with 2 years of experience in designing and building scalable web and desktop applications using .NET, WPF, Entity Framework, Angular and My-SQL. Skilled in full-stack development, debugging, and performance optimization. Passionate about delivering efficient, maintainable solutions and continuously improving technical expertise.

EDUCATION

B.SC Computer Science

SRM | 2016 – 2019

CGPA: 7.83

Intermediate (10+2)

Narayana | 2014 – 2016

Percentage: 53.4

SSC (Class 10)

Bhashyam | 2013 – 2014

CGPA: 5.2

Hobbies and Interests

- Web Browsing
- Reading technical blogs
