

## PROFESSIONAL SUMMARY

- Experienced **Junior DOT NET Developer** with 2years of hands-on experience in Microsoft .NET Technologies.
- Proficient in developing web applications using C#.NET, ASP.NET Web Forms, ASP.NET MVC, SQL Server, and ADO.NET.
- Experienced in SQL Server, specializing in designing tables, writing stored procedures, creating triggers, functions, and managing views.
- Proficient in client-side development using HTML, JavaScript, and CSS to build responsive and interactive web applications.

## EDUCATION

- **Bachelors of Science (Bsc Fscs)**  
Osmania University ( Hyderabad) (2019-2022)
- **Board of Intermediate Education**  
TSWREIS Jr College (Nalgonda) (2017-2019)
- **Board of Secondary Education**  
Jan Peter Memorial School (Hyderabad) (2016-2017)

## SKILLS

- **Languages :** C#, JavaScript,jQuery,AJAX..
- **Frameworks/Technologies :** ASP.NET MVC, ASP.NET Web Forms, ADO.NET, Entity Framework,WebApi,React.js
- **Database :** SQL Server
- **Web Technologies :** HTML, CSS, JavaScript
- **Tools/IDE :** Visual Studio 2022, SQL Server Management Studio
- **Deployment :** IIS

## EXPERIENCE/ TRAINING

1. **Junior DOT NET Developer (Neumeric Technologies) (09/2023 — 10/202)** • **Role:** Junior DOT NET Developer at Neumeric Technologies, contributing to web application development using ASP.NET MVC, Web Forms, and SQL Server.
  - **Responsibilities:** Developing and maintaining web applications, ensuring responsive UI with HTML, CSS, and JavaScript, deploying applications on GIT, and managing deployments on GoDaddy Server.
  - **Experience Gained:** Hands-on experience in debugging, optimizing performance, and collaborating on real time client projects.
- 2.. **Junior DOT NET Developer (Byte Qode Digitals) (11/2024 — 05/2025)** • **Role:** Junior DOT NET Developer at ByteQode Digitals, contributing to web application development using ASP.NET MVC, Web Forms, and SQL Server.
  - **Responsibilities:** Developing and maintaining web applications, ensuring responsive UI with HTML, CSS, and JavaScript, deploying applications on GIT, and managing deployments on GoDaddy Server.
  - **Experience Gained:** Hands-on experience in debugging, optimizing performance, and collaborating on real time client projects.
3. **.NET Full Stack Developer Apprenticeship (Naresh I Technologies) (08/2022 —05/2023)** • Learning new

skills related to .NET, including advanced development techniques.

- Developed a solid understanding of software development processes and practices.

## PROJECT DETAILS

### 1. **Project 1:** (6/2023 - 10/2024) Neumeric Technologies • **Title :**MSRTC (Maharashtra State Road

Transport Corporation)

• **Client :** MSRTC.

• **Project URL :** <https://www.msrtcitapps.com/>

• **DESCRIPTION :**

- **MSRTC** is to digitalize and automate the internal operations of Maharashtra State Road Transport Corporation. developed a system that helps in managing key functions like Payroll,Inventory,Vehicle maintenance,Provident fund and Job Costing.
- **Inventory Module:** Worked on critical modules such as Session Management, Admin Panel, Inventory Management, and Landing Page Development.
- **Participant Module Enhancements:** Improved user experience by enabling session viewing and booking features for participants.
- Designed and implemented Grid Tables for efficient data display, ensuring smooth session management.
- **Roles and Responsibilities:** Gathered and analyzed user requirements, created specification documents, ensured project alignment, managed secure file transfers via GIT and deployed websites using IIS.

### 2. **Project 2:** (09/2024 - 05/2025) ByteQode Digitals Pvt Ltd • **Title :** School Management System

• **Client :** Byte Qode Digitals

• **DESCRIPTION :**

School Management System is a web-based platform designed to automate day-to-day administrative and academic activities within schools. The system allows school administrators, teachers, students, and parents to interact on a centralized platform. Key features include student and staff management, attendance tracking, timetable scheduling, grade and exam management, fee collection, communication tools, and report generation. The platform enhances transparency, improves efficiency in school operations, and ensures secure access to critical information for all stakeholders.

**Technologies and Skills Gained:** Gained hands-on experience in ASP.NET MVC,Entity Framework, the core technology used for the entire project. Contributed to robust database architecture using Microsoft SQL Server for data storage and management **Environment:** Visual Studio 2022, C#.Net, ASP.Net MVC,JavaScript, Html, CSS and SQL Server 2022.

**ACCOMPLISHMENT** • Awarded 'Best Award' by the company for exceptional performance and dedication to team goals

## PERSONAL DETAILS:

• **Gender :** Female

• **Languages :** Hindi & English

• **Address :** Hyderabad

## Declaration

I hereby declare that the information furnished above is true to the best of my knowledge
