📋 Career Objective

Motivated Backend Developer skilled in Spring Boot, PostgreSQL, and RESTful API development. After a professional cricket career (2020-2024), I transitioned into full-time software development. Eager to contribute backend engineering expertise to build scalable, secure, and high-performing applications.

🌐 Technical Skills

Languages

Java, JavaScript

Backend

Spring Boot, REST APIs, Spring Security, JWT

Database

PostgreSQL

Frontend

React.js, HTML, CSS

Tools

IntelliJ IDEA, VS Code, Git, GitHub, PgAdmin

Concepts

MVC, CRUD, Authentication, Authorization

🎓 Education

B.E. Mechanical Engineering

Easwari Engineering College

2016 – 2020

CGPA: 6.9

HSC

Assisi Matriculation School

2015 – 2016

87%

SSLC

Assisi Matriculation School

2013 – 2014

94%

📁 Projects

Task Manager Application

Spring Boot, PostgreSQL, React.js

- Developed REST APIs for task CRUD operations and JWT-based authentication.
- Integrated backend with frontend using Axios and React Hooks.
- Designed responsive UI and implemented role-based access for users and admins.

Used Car Listing Application

Spring Boot, PostgreSQL, React.js

- Built RESTful endpoints for managing car listings with secure login/signup using JWT.
- Created search and filter functionalities for efficient data retrieval.
- Designed PostgreSQL database schema and applied backend validation.

★ Professional Summary

B.E. graduate (2020) with certification in Full Stack Java Development. Hands-on experience in Core Java, Spring Boot, PostgreSQL, REST APIs, and authentication mechanisms. Strong teamwork, discipline, and focus developed through a professional cricket career. Passionate about backend development and eager to contribute to real-world IT projects.

📜 Certifications

Master Program in Full Stack

- Core Java, Spring Boot, REST APIs, PostgreSQL, Spring Security, HTML, CSS, JavaScript, React.js.
- Built mini full-stack projects applying layered architecture and authentication.

★ Other Experience

2020 – 2024

Played professional cricket, strengthening discipline, leadership, and focus under pressure.
