Summary

Self-taught and passionate .NET Developer with 1.6 years of experience in designing, developing, and deploying scalable Windows and Web applications using C#, ASP.NET Core, MVC, Entity Framework, LINQ, MS SQL, and JavaScript. Skilled in building maintainable and high-performance solutions following modern design principles, Agile methodology, and best coding practices. Committed to continuous learning and delivering high-quality software solutions.

Work Experience

Software Developer	Swift ProSysPvt Ltd.	Chennai, TN	May2024–Present
---------------------------	-----------------------------	-------------	------------------------

Stack: C#, ASP.NET Core, MVC, Web Api , ADO.NET, Azure, MS SQL, LINQ, jQuery, Ajax, Bootstrap

- Planned, Developed and maintained web and Windows applications with efficient database design and integration.
- Handled optimization, bug fixing, client coordination, and GoDaddy server deployment for production environments.
- Resolved user issues and enhanced application performance through optimized LINQ and SQL Server queries.
- Designed and maintained Windows applications and developed ASP.NET Core MVC web solutions using ADO.NET and MS SQL Server.

IT Trainee	HL Klemove India Private Limited.	Chennai, TN	July 2022–Jan 2023
-------------------	--	-------------	---------------------------

Stack: SAP, MS SQL

- Experienced in SAP procurement processes, including PR creation, editing, display, and GRN creation.
- Support for Manufacturing Execution System (MES) backend database and analysis from production and solve the issue.

Technical Skills

- Technologies: C#, ASP.NET Core, MVC, Entity Framework, LINQ , Web Api, jQuery, AJAX, JavaScript, and MS SQL.

Projects

- **HOR – Online Data Entry Web App (ASP.NET MVC, C#, HTML, CSS, Bootstrap, JavaScript, jQuery, Ajax, LINQ, MSSQL)** – Developed a web application to digitize large volumes of manual records, enabling keying operators to input data efficiently and manage high-quality scanned images seamlessly. Implemented role-based access control and optimized database operations using LINQ and MySQL to enhance system performance and reliability.
- **Prointerio Website (ASP.NET Core MVC, C#, HTML, CSS, JavaScript, Bootstrap, MS SQL)** – Developed a responsive web application for an interior design studio, enabling dynamic portfolio management, interactive service listings, and enhanced user engagement.

Education

- | | |
|--|------------------|
| • Bachelor of Computer Applications (BCA), VidhyaSagar Women’s College., Chengalpattu. (80%) | 2019–2022 |
|--|------------------|

Certifications

- .NET Certification, Besant Technologies, Chennai, TN
