## Education

<b>B.Tech:</b> Mechanical Engineering, <b>Vignan Institute of Technology and Management</b>	2020–2024
<b>XII (CHSE):</b> Chanakya Science Higher Secondary School	2018–2020

## Experience / Internship / Projects

<b>TANAMA SOFTWARE PRIVATE LIMITED, (Front-end Developer)</b>	May 2024 – Present
---	--------------------

**Key Project: E-commerce Grocery Web Application**

**Tech Stack: (React.js, Tailwind CSS, React Router, Context API, LocalStorage)**

- Dynamic product listing with category and price filters.
- Product detail view with image, description, and price.
- Cart management with quantity updates and real-time total calculation.
- Checkout UI with persistent cart data using LocalStorage.
- Responsive layout with smooth client-side routing using React Router.

### Roles & Responsibilities:

- Developed **UI** components using **React.js** and **Tailwind CSS**.
- Managed client-side routing with **React Router** and global state using **Context API**.
- Integrated mock product data and implemented real-time cart updates.
- Implemented validation, loaders, and ensured mobile responsiveness.
- Followed component-based architecture for scalability.
- Deployed the application on **Vercel** and used **Git & GitHub** for version control and team collaboration.
- Used **Jira** for sprint planning, task tracking, and monitoring overall project progress.

<b>BESANT TECHNOLOGIES, (Python Full Stack Developer Intern)</b>	Oct 2023 – March 2024
--	-----------------------

- Built responsive and reusable components using React.js.
- Created RESTful APIs and backend logic in Python using Django.
- Integrated MySQL for data storage and retrieval.
- Implemented user authentication and form validation.

**Key Project: Movie Details Hub**

[Click Me]

- Built a responsive single-page application with **React.js**.
- Integrated **RESTful APIs** for real-time data updates.

**Key Project: Number Guessing Game**

[Click Me]

- Developed **UI** using **HTML, CSS, and JavaScript**.
- Implemented real-time input validation and user feedback.

## Additional Information

- **Languages:** English, Hindi, Odia
- **Certifications:** TCS iON Career Edge – Young Professional, Microsoft Certificate Program in Graphic Design
