## Summary

Software programmer with 5 years of experience in designing and developing reliable, scalable backend systems. Skilled in building efficient solutions and eager to apply my expertise in a challenging, growth-oriented organization.

## Skills

**Languages:** PHP, JavaScript **Frameworks & Libraries:** Laravel, CodeIgniter, Next.js, Node.js

**Databases:** MySQL, MongoDB, Redis **Search Engine:** Meilisearch

**Tools & Productivity:** GitHub, Ubuntu, Bitbucket, Jira and Nginx/Apache.

## Experience

### TargetBay

July 2023 – Present

*Software Programmer*

*Chennai, TN*

- Engineered OCR-based solutions for extracting insights from image-based marketing content, leveraging **parallel processing** to reduce processing time by **40%**.
- Integrated **Shopify POS** systems with internal tools, enhancing synchronization between in-store and online customer data.
- Enhanced search capabilities using **Meilisearch**, achieving a 30% reduction in search latency.
- Mentored** junior members and coordinated team workflow to maintain productivity.

### Bugtreat Technologies

Jan. 2021 – Jun, 2023

*PHP Developer*

*Madurai, TN*

- Customized **RISE CRM** modules (events, estimates, invoices) and integrated third-party APIs to meet client-specific needs.
- Secured applications** using CSRF protection, Honeypot, server-side/jQuery validation, and '.htaccess' file restrictions to prevent unauthorized access.
- Integrated various **payment gateways** including pay.nl, Mollie, and iDEAL, ensuring secure and localized e-commerce experiences.

## Projects

### Laravel Request Logger Package

- Built a reusable Laravel package to log incoming requests with unique request IDs, aiding in full request lifecycle tracking for debugging. Integrated seamlessly via middleware and facades.
- Tech Stack: PHP, Laravel

### Chrome Smart Bookmark

- Created a Chrome extension that allows users to save and organize highlighted text from web pages into categorized collections for later reference.
- Tech Stack: PHP, Laravel, JavaScript, Chrome Extensions API

## Awards & Recognition

### The Shining Star award

@TargetBay

*Q4. 2023*

### Extra Mile award

@TargetBay

*Q2. 2024*

## Education

### Bachelor of Engineering (Mechanical Engineering)

*GPA 7.8*

Vickram College of Engineering, Sivagangai

*2013 – 2017*
